Setra Bus Pack 1 DLC available now on PC, PS4™ and Xbox One!

Düsseldorf/Germany, July 22, 2020 – Today, astragon Entertainment and stillalive Studios are happy to announce the release of the latest DLC for **Bus Simulator** including two brand-new buses on PlayStation®4 and Xbox One as well as **Bus Simulator 18** for PC: A Setra S 412 UL and a Setra S 417 UL business. The **Setra Bus Pack 1 DLC** is now available on the PlayStation®Store, on the Microsoft Store and on Steam™!

With the **Setra Bus Pack 1 DLC**, Bus Simulator players can look forward to two new officially licensed and faithfully modeled buses of the well-known brand Setra, which have never been seen before in any other simulation game: the Setra S 412 UL and the Setra S 417 UL business of the manufacturer's popular MultiClass UL series.

The two-axle and two-doored Setra S 417 UL business has a length of 13.38 meters and offers 59 seats, while the 10.81 meter long and maneuverable Setra S 412 UL is equipped with 45 passenger seats in total. Two really nice coach buses that are great for travels through the outskirts and rural areas of Seaside Valley, perfectly complementing the bus fleet of the main game.
