Construction Simulator® 3 – Console Edition & Construction Simulator® 2 + 3 - Switch Edition

The latest part as well as an exciting bundle of the popular simulation game series now available for Nintendo Switch™!

Düsseldorf/Germany, October 21, 2020 – After the successful implementation of the popular **Construction Simulator® 3** for smartphones and tablets as well as PlayStation®4 and Xbox One, astragon Entertainment and weltenbauer. SE are happy to provide not one but two highlights for construction enthusiasts on Nintendo Switch™ today: The **Construction Simulator® 3 - Console Edition** for Nintendo Switch™ and the **Construction Simulator® 2 + 3 - Switch Edition** are offering players the unique opportunity to get behind the wheel of heavy construction machinery on the popular Nintendo console!

The official release trailer of the **Construction Simulator® 2 + 3 - Switch Edition** is available here: <https://youtu.be/ifxTMPzNwjs>

Construction Simulator® 3 – Console Edition

- Now available on the Nintendo eShop for Nintendo Switch™
- More than 50 officially licensed construction vehicles and machines
- More than 70 exciting missions
- Free accessible game world
- European setting

With the **Construction Simulator® 3 – Console Edition** players and construction enthusiasts can look forward to controlling more than 50 officially licensed and faithfully replicated construction machines and vehicles, and prove their building skills within a freely accessible game world in more than 70 challenging missions.

After starting their career as a new builder in the fictional European city of Neustein and the surrounding Illertal, players will at first have to fulfill some smaller jobs such as delivering materials or gardening works. As the company progresses and expands, more and more challenging jobs will become available: From excavating tasks, and the construction of single-family homes and apartment buildings, up to setting up wind turbines, the construction of office buildings and high-rises, industry halls, and road construction works.

Thanks to the large selection of different tasks as well as the enormous variety of vehicles and construction machines, the **Construction Simulator® 3 - Console Edition** for Nintendo Switch™ grants players some long-lasting building fun!

Construction Simulator® 2 + 3 - Switch Edition

- Now available as cartridge for Nintendo Switch™ in selected countries
- Includes Construction Simulator® 2 – Console Edition and Construction Simulator® 3 – Console Edition
- More than 70 officially licensed construction vehicles and machines
- A total of more than 130 challenging jobs
- Two freely accessible game worlds – set in the USA and Europe
- The simulation double pack – also ideal for playing on the go

If you are looking for even more construction jobs in addition to those in idyllic Illertal, the **Construction Simulator® 2 + 3 - Switch Edition** comes as a practical “all-round happy-package”. In addition to the **Construction Simulator® 3 – Console Edition** this cartridge also includes the **Construction Simulator® 2 – Console Edition**. The latter offers an US-American setting with a huge variety of vehicles and machines typical of this region. Taking both games together, players can look forward to a gigantic selection of more than 70 officially licensed construction machines as well as more than 130 gripping missions. This makes it the ideal double pack for construction enthusiasts - be it on the large TV screen at home or on the go in the handheld mode of their Nintendo Switch™!

The **Construction Simulator® 3 - Console Edition** for Nintendo Switch™ is now available for 19.99 EUR / 19.99 USD (RSP) as a digital download on the Nintendo eShop. The cartridge version of the **Construction Simulator® 2+3 – Switch Edition** is available for 39.99 EUR / 39.99 USD (RSP) in retail in selected countries only.
