### Construction Simulator 3

## Newest part of the series comes with Liebherr LB28 rotary drilling rig and cockpit view

**Moenchengladbach/Germany, April 3, 2019** – Today, astragon Entertainment and weltenbauer. SE are happy to announce two brand-new features of the upcoming **Construction Simulator® 3** for iPhone® and iPad® as well as smartphones and tablets using the Android™ operating system. In the successor of the popular simulation series, players can be looking forward to an officially licensed Liebherr LB 28 rotary drilling rig as well as - for the first time on mobile devices - a cockpit view in all available vehicles and machines.

Today's trailer offers a closer look at the Liebherr LB 28 drilling rig of **Construction Simulator® 3**: <https://youtu.be/3fQdPDrUogc>

In **Construction Simulator® 3** players will get the unique opportunity to work their way up from a small service provider to the largest construction magnate of a huge and freely drivable game world. In order to successfully fulfill the numerous and diversified missions, fans of the series will be able to access and operate a large number of officially licensed construction machines and vehicles by well-known manufacturers and brands.

As a world premiere in the history of the mobile games released as part of the popular simulation series, players will be able to operate an officially licensed Liebherr LB 28 rotary drilling rig, which can be used for bridge building as well as other exciting missions. An absolute highlight for fans of heavy machinery!

Another new feature of the latest version of the popular game series is the cockpit view: By popular request of the Construction Simulator® community, **Construction Simulator® 3** is now offering a detailed cockpit interior view, complete with detailed and faithfully recreated controls in all of the game's vehicles.

In addition to the Liebherr LB 28 drilling rig as well as various excavators, cranes, a wheel loader, a concrete mixer and other construction machines by Liebherr, **Construction Simulator® 3** players will also be able to operate numerous vehicles of machines of other world-renowned manufacturers such as Caterpillar, MAN, PALFINGER, Bell, STILL, ATLAS and MEILLER Kipper. Aspiring builders can also look forward to even more brand-new construction equipment from the newly added license partners WIRTGEN, VÖGELE, HAMM, CASE, BOMAG and Bobcat.

**Construction Simulator® 3** for iPhone® and iPad® as well as smartphones and tablets using the Android™ operating system will be released on April 10, 2019 at a price of 4.99 EUR / 3.99 USD / 3.99 GBP on the Apple® App Store® and Google Play®.
