

astragon Entertainment GmbH is a wholly-owned subsidiary of Team17 Group PLC, and a leading German games developer, publisher and distributor of sophisticated 'working' simulation games, focusing on non-violent cooperative gameplay with very detailed, technical, and realistic environments. astragon's internationally well-known IPs include Construction Simulator, Bus Simulator, Police Simulator: Patrol Officers and Firefighting Simulator. The distribution of high-quality licensed and distribution products such as Farming Simulator and SnowRunner complete its attractive product range. astragon games are available world- wide on many different platforms such as consoles, smartphones, tablets, and PC.

A united and strong team – also when working from home: Despite challenging times like these, we are looking for Interns in **Product Management** to support our team in Düsseldorf/Germany for a period of 6 months of paid internship. You can look forward to a flexible home office solution with digital training in your fields of activity without any restrictions by Covid-19 inhibiting your onboarding. Contact-reducing security measures in our office located in the heart of Düsseldorf additionally ensure the safety of all employees during the times they may be required to be on site.

Key Responsibilities:

- Assist in the daily operations of the product management team
- Reviewing & providing feedback for marketing related assets such as key visuals, screenshots, trailers and product texts
- Help in coordination, feedback and approval processes with international partners and license holders
- Collaborate with other departments daily to contribute to our projects and coordinate efforts for reaching common goals

Core Competencies:

- Understanding of common project management tools and MS Office
- Basic knowledge of Adobe Creative Suite
- Talent for organization, a keen eye for the bigger picture, eager to work on projects in an international environment
- Strong written and verbal communication skills in English
- A goal-oriented, efficient work approach, and a high degree of initiative and reliability
- Strong enthusiasm for games (especially simulations) and pop culture

Good to know:

- Our office language is English

We offer:

- Hybrid work environment
- An inspiring working environment within a driven, young team
- City center location with a great public transport link as well as the option of free parking
- Free soft-drinks, coffee, tea and fresh fruits
- Legendary team events

Does this sound like you? If your answer is yes, we'd love to hear from you! Get in touch and send your CV, portfolio and cover letter to job-applications@astragon.de
