

Project Manager Marketing Assets (f/m/d)

 Full Time

 Düsseldorf

 experienced

astragon Entertainment is a wholly owned subsidiary of Team17 Group PLC, and a leading German games developer, publisher and distributor of sophisticated 'working' simulation games, focusing on non-violent cooperative gameplay with very detailed, technical, and realistic environments. astragon's internationally well-known Ips include Construction Simulator, Bus Simulator, Police Simulator and Firefighting Simulator. The distribution of high-quality licensed and distribution products such as Farming Simulator and SnowRunner complete its attractive product range. astragon games are available worldwide on many different platforms such as consoles, smartphones, tablets and PC.

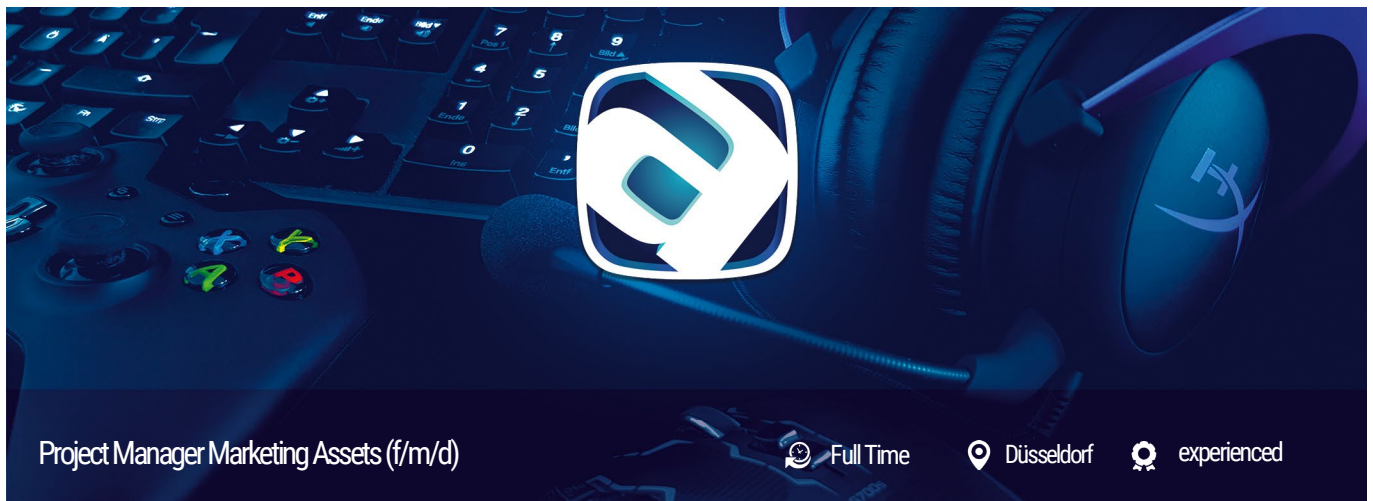

A united and strong team – also when working from home: Despite challenging times like these, we are looking for a **Project Manager for marketing assets** to support our team in Düsseldorf/Germany. You can look forward to a flexible home office solution with digital training in your fields of activity without any restrictions by Covid-19 inhibiting your onboarding. Contact-reducing security measures in our office located in the heart of Düsseldorf additionally ensure the safety of all employees during the times they may be required to be on site.

Key responsibilities:

- Responsible for steering Asset Creation team of eight and to ensure that assets are executed effectively
- Plan received briefings/tasks and timings and allocate tasks. Keep timings and ensure deadlines are kept
- Track status of tasks and communicate with asset creation team to foresee any issues
- Ensure that tasks are briefed with all information and request updates from briefing owners
- Communicate with briefing owners in advance potential outsourcing requirements
- Review and manage all stages of asset creation from briefing to final approval.
- Allocate briefings efficiently based on people and resources.
- Close collaboration and communication with marketing, PR and product management departments.
- Provide regular status updates as well as communicate the deliverables to various stakeholders.

Core Competencies:

- At least 2-4 years of experience in project management
- Experience with standard project management tools (e.g. JIRA, Confluence, MS Office)
- Knowledge of standardized marketing assets familiar with game engines and previous experience in the game industry is desirable
- Understanding of games industry and gaming platforms & technology is a plus
- Strong written and verbal communication skills in English and German
- A goal-oriented, efficient work approach, and a high degree of initiative and reliability
- Willingness to pro-actively pursue important topics and assume ownership as a great team player
- Good problem solving, administrative and interpersonal skills are a must.

What we can offer:

- Hybrid work environment
- An inspiring working environment within a driven, young team as well as dynamic career opportunities
- Great benefits like bonus entitlement, employer-funded pension, and flexible working hours
- City center location with a great public transport link as well as the option of free parking
- Free soft-drinks, coffee and tea and fresh fruits
- Legendary team events
