

astragon Entertainment GmbH is a wholly-owned subsidiary of Team17 Group PLC, and a leading German games developer, publisher and distributor of sophisticated 'working' simulation games, focusing on non-violent cooperative gameplay with very detailed, technical, and realistic environments. astragon's internationally well-known IPs include Construction Simulator, Bus Simulator, Police Simulator: Patrol Officers and Firefighting Simulator. The distribution of high-quality licensed and distribution products such as Farming Simulator and SnowRunner complete its attractive product range. astragon games are available worldwide on many different platforms such as consoles, smartphones, tablets, and PC.

To support our team in Düsseldorf, we are looking for a **Regular/Senior Producer (f/m/d)** in a permanent position.

Key Responsibilities:

- Responsible for all production aspects of game projects - from the first pitch to gold master
- Work closely with external development studios and define the scope of game projects regarding time, budget and quality
- Provide creative and executional direction to help improve product quality and innovation
- Create, track, and manage development and milestone schedules
- Work closely with all areas of publishing operations including QA, localization, age ratings and first party platform submissions to ensure projects are supported and delivered with the highest degree of quality to the market
- Report back on the progress of development process, manage risks and issues, and escalate as required
- Work closely with Marketing, Sales and PR to promote the strengths of our products

Core Competencies

- At least 3-5 years professional experience in the field of video game production
- Experience in the development and release of video games for PC and consoles (PS4 / PS5, Xbox One / Xbox Series X/S, Nintendo Switch)
- Good technical understanding of the game development processes
- Experience with standard project management & issue tracking tools (e.g. Bug Tracker, JIRA, Confluence, MS Office)
- Strong written and verbal communication skills in English and German
- Ability to take ownership and move projects forward despite obstacles and issues

What we can offer:

- Hybrid work & flexible working hours
- An inspiring work environment in a dedicated, diverse team
- Dynamic career opportunities & option for annual professional development programs
- Bonus entitlements, employer-funded pension plan
- Downtown location with good access to public transportation as well as the opportunity to park for free
- The opportunity to actively shape the future of a growing company

Does this sound like you? If your answer is yes, we'd love to hear from you! Get in touch and send your CV along with your salary expectations and notice period, to job-applications@astragon.de
